

Central Alabama Forestry Field Day

Thursday, October 26, 2017

Bill Dark's Property

Please mark your calendar for an informative and enjoyable day in the woods. Knowledgeable speakers will discuss: (1) Pine Management Opportunities, (2) Forestry Insect Identification and Control, (3) Sustainable Trail Development and (4) Coosa County Forestry Planning Committee's Annual Adopt-A-School Program. Vendors will be on site with displays, products and educational information. **Earn 2 hrs. of CFEs. Please register by October 20th.**
