We have limited quantities of this valuable guide to forestry

Order your copies today!

Order form on reverse side

Essential reading for new or long-time landowners

who do not have an extensive background in forestry.

In this practical, **concise introduction**

to the many aspects of owning forestland,

you'll learn about **options** for managing your forests,

the **benefits and costs** of forest management,

how to organize activities to **meet your objectives**,

and finding professional foresters to help manage your land.

2009, 282 pages, softcover
